+

← → ↻ ⓘ localhost:5000/ProductList

This is the product list

ID	Name	UnitPrice
1	Apple	10
2	Pear	8
3	beef	50
4	Orange	6
5	pork	80
6	hamburger	15

3.Add a product:

A browser window titled 'AddProduct' at 'localhost:5000/AddProduct' displays the form. The heading 'Please input the product ID, product name and product unit price that you want to add' is in bold. Below it, the sub-heading 'Add Status' is shown. The form contains three input fields: 'Product ID :', 'Product Name :', and 'Product unit price :', all of which are currently empty. At the bottom, there are 'Submit' and 'Reset' buttons.

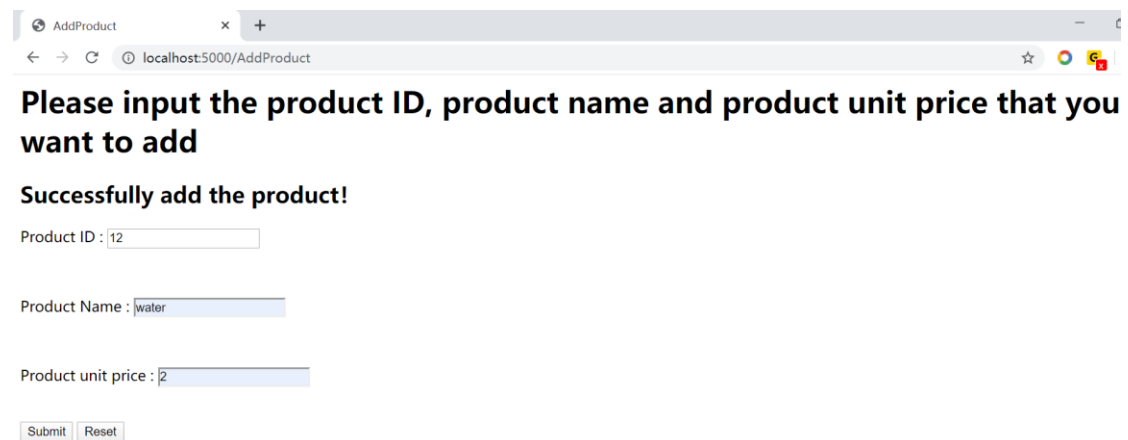

Please input the product ID, product name and product unit price that you want to add

Add Status

Product ID :

Product Name :

Product unit price :

The same browser window shows the form with the input fields filled. 'Product ID' contains '12', 'Product Name' contains 'water', and 'Product unit price' contains '2'. The 'Submit' and 'Reset' buttons remain at the bottom.

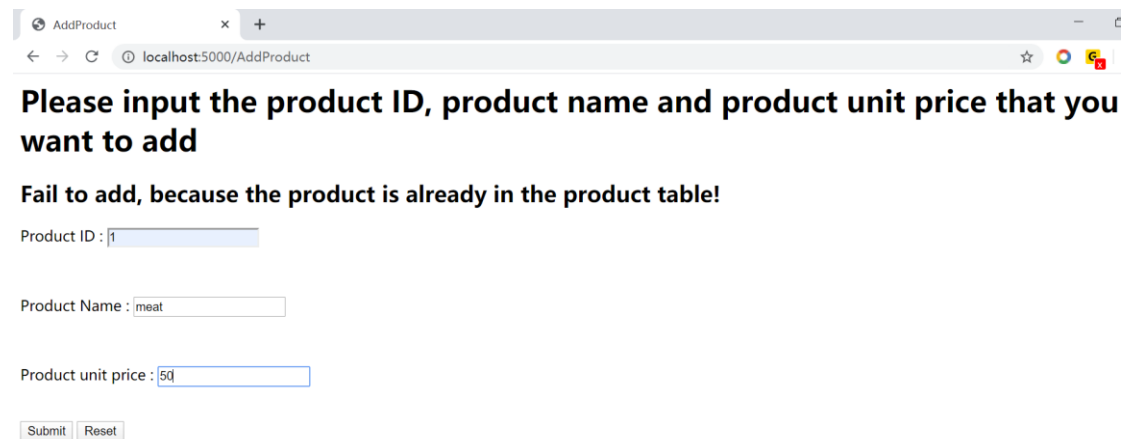

Please input the product ID, product name and product unit price that you want to add

Successfully add the product!
